

Based on the Biathlon Canada/Canada Games Technical Requirements and Expressions of Interest to coach our biathlon team, we are pleased to announce that Brian Seidel, Peggy Falkenham-Boutilier, Sean Hennessey, Meagan McCurdy and John Carter will be our “coaching team” for these Games.

This team will now formulate the planning, preparations, and training required to lead us to and through the Games next February.

FYI, we are fine tuning the selection process and hope to have these promulgated shortly.

As you all know this will be the first time since 1995 for Nova Scotia to field a biathlon team and this will all happen on our newly commissioned Biathlon Range at Martock. We are really excited about this opportunity and what this will mean to our sport in the years ahead. I encourage, those who have not already done so, to get a season’s pass from [Martock](#) as this is an extraordinary deal.

Please stay tuned for more information on biathlon and on our preps for the Games.

Thanks for your continued interest and participation in and support to biathlon.
